

Terms of Use for Splash Reader

Last Updated: February 15, 2026

These Terms of Use ("Terms") govern your use of Splash Reader ("the App"), developed by Splash Software, LLC ("we", "us", or "our"). By using the App, you agree to these Terms. If you do not agree, please do not use the App.

1. Overview

Splash Reader is a comic book and manga reader application for iPad and Apple Vision Pro. The App allows you to import, organize, and read comic files (CBZ, CBR, PDF) with optional AI-powered features including translation, text analysis, and image identification.

2. Eligibility

You must be at least 13 years old to use the App. By using the App, you represent that you meet this age requirement.

3. License

We grant you a limited, non-exclusive, non-transferable, revocable license to use the App on Apple devices that you own or control, subject to these Terms and the Apple Media Services Terms and Conditions.

4. User Content

You are responsible for the comic book files you import into the App. We do not host, distribute, or provide comic book content. You must ensure that you have the legal right to access and use any content you import.

5. AI Features

5.1 How AI Features Work

The App offers optional AI-powered features including translation, image analysis, character identification, and question-answering. These features are powered by Google's Gemini AI models, accessed through the Firebase AI SDK.

5.2 Data Sent to AI

When you use AI features, selected comic page images and/or extracted text are sent to Google for processing. You will be asked for explicit consent before any data is sent to Google's AI service for the first time.

5.3 AI Limitations

AI-generated responses are provided for informational and entertainment purposes only. AI outputs may contain inaccuracies, and we do not guarantee the correctness, completeness, or appropriateness of any AI-generated content. You should not rely on AI responses as authoritative sources.

5.4 Acceptable Use of AI Features

You agree not to use AI features to:

- Process content that violates applicable laws
- Attempt to circumvent safety filters or content policies
- Exploit the service in a manner that constitutes abuse (e.g., automated bulk requests)

We reserve the right to limit or suspend AI feature access if we detect abusive usage patterns.

6. AI Tokens and In-App Purchases

6.1 Token System

AI features are powered by a token system. Each AI request consumes tokens based on the model and feature used. You receive an initial grant of free tokens upon signing in with Apple.

6.2 Token Purchases

You can purchase additional tokens through in-app purchases:

- **AI Token Pack** (one-time purchase): 3,000 tokens that do not expire
- **Monthly AI Subscription** (auto-renewable): 3,000 tokens per month

6.3 Auto-Renewable Subscription Terms

- The monthly subscription costs the price displayed in the App at the time of purchase
- Payment is charged to your Apple ID account at confirmation of purchase
- The subscription automatically renews each month unless you cancel at least 24 hours before the end of the current billing period
- Your account is charged for renewal within 24 hours prior to the end of the current period
- You can manage and cancel your subscription at any time in your Apple ID Account Settings (Settings > [Your Name] > Subscriptions)
- Any unused portion of a free trial period (if offered) is forfeited upon purchasing a subscription
- Subscription tokens refresh each billing cycle; unused subscription tokens do not roll over

6.4 Refunds

All purchases are processed by Apple and are subject to Apple's refund policies. We do not process refunds directly. To request a refund, visit [Apple's Report a Problem](#) page.

6.5 Token Balance

Your token balance is synced across your devices via iCloud. We maintain a backup in Firebase for recovery purposes. In the unlikely event of a discrepancy, please contact us for assistance.

7. Account

7.1 Sign In with Apple

Signing in with Apple is optional but required to access AI features and sync your token balance across devices. We use Firebase Authentication to manage anonymous accounts, which can be upgraded to Apple Sign-In accounts.

7.2 Account Security

You are responsible for maintaining the security of your Apple ID. We are not liable for any unauthorized access resulting from compromised Apple ID credentials.

8. Intellectual Property

The App, including its design, code, graphics, and branding, is the intellectual property of Splash Software, LLC and is protected by applicable copyright and intellectual property laws. You may not copy, modify, distribute, or reverse-engineer any part of the App.

9. Disclaimers

THE APP IS PROVIDED "AS IS" AND "AS AVAILABLE" WITHOUT WARRANTIES OF ANY KIND, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.

We do not warrant that:

- The App will be uninterrupted or error-free
- AI features will produce accurate or appropriate results
- Your data will never be lost (we recommend keeping backup copies of your comic files)

10. Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, WE SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES, INCLUDING BUT NOT LIMITED TO LOSS OF DATA, LOSS OF PROFITS, OR BUSINESS INTERRUPTION, ARISING OUT OF OR IN CONNECTION WITH YOUR USE OF THE APP.

11. Termination

We reserve the right to terminate or suspend your access to AI features if you violate these Terms or engage in abusive behavior. Basic reading functionality of the App does not require an account and will remain available.

12. Changes to These Terms

We may update these Terms from time to time. We will notify you of material changes through the App or via App Store update notes. Continued use of the App after changes constitutes acceptance of the updated Terms.

13. Governing Law

These Terms shall be governed by and construed in accordance with the laws of the State of Israel, without regard to conflict of law provisions.

14. Apple's Standard EULA

In addition to these Terms, your use of the App is also subject to Apple's Standard End User License Agreement (EULA) for Licensed Applications, available at: <https://www.apple.com/legal/internet-services/itunes/dev/stdeula/>
